

## 2023 Fall Team and Individual Picture Schedule

This year's team pics will be over two days to help accommodate our teams' and LifeTouch's schedules. Please reference the schedule below. Picture forms and access codes are going to be sent out digitally. We also have paper flyers to hand out if you prefer. No cash or payments will be taken the day of team pictures, all payments are online.

\*Reminder to share with your Parent community\* – the access code listed on the PDF/Flyer is for pre-orders. Every athlete that did not pre-order will receive a proof of their portrait a few weeks after picture day. That proof that has an individualized access code on it for them to use when ordering.
