Pike High School is proud to partner with Franciscan Health for the athletic training and medical needs of our student-athletes.

The Franciscan Health Sports Medicine team offers a full spectrum of care — everything from pre-participation physicals and evaluating injuries to providing athletic training and physical therapy. It is their privilege to provide specialized sports medicine care to Pike athletes of all ages and competitive levels.

If you need to see a specialist, call (317) 781-1133 to schedule an appointment.
