GOLF

Madison Hulskotter

Madison is the daughter of Mark and Aimee Hulskotter. Her favorite team moment was when they were on a rain delay for one of their matches and they hung out on the bus listening to music and eating donuts. Madison's extra-curricular activities include BSA (scouts) and her project car. Her future plans are to attend college. To her teammates: "If you believe in yourself and think you can do it, you will." To her parents: "I love you so very very much and I want to thank you for supporting me through my experiences, and specifically with golf, thank you for keeping morale up and encouraging me when I wasn't having the best day."

Madison is the daughter of Jason and Jenny Monday. Her favorite team memory was from this season, it started pouring down raining on them while they were on the course practicing. Coach Kelley tried to fit a group of four girls on a golf cart, but Ava and her did not make it back. Their push carts containing their clubs ran into each other, causing all of their stuff to fly out in the rain. Then, she and Ava walked back, soaking wet. They all ended up getting under a downspout with water pouring out of it. The seat of her car was still wet the next morning when she drove to school and she had to sit on a blanket. Madison's extra-curricular activities include golf, basketball, student council, and the National Honor Society. Her future plans are to attend college in Indiana. She is undecided about where and what she will be studying. To her teammates: "If I could give my teammates one piece of advice it would be to cherish every moment and don't take it for granted. It goes by a lot quicker than it may seem and before you know it, it will be over. " To her parents: "Thank you for always pushing me to be the best I can be and for always believing in me. You have shown your dedication and support for me throughout it all and I couldn't ask for better supporters. You have always been at every match and tournament and I couldn't be more grateful. Love you both!
