SOFTBALL

Ella Clouse

Ella is the daughter of Devin and Michelle Clouse. Her favorite team moment was when they had a huge comeback win over Noblesville last year. The energy in the dugout and on the field was crazy and everyone was so excited. It was such a fun environment with everyone cheering and screaming made it an unforgettable moment. Ella's extracurricular activities include softball and the National Honor Society. Her future plans are to attend West Virginia University in the fall. She is currently undecided on a major. To her teammates: "My advice to my teammates is to always be there for each other. Be a person that people can laugh with or cry with when they need to and always help each other when you need it no matter what. " To her parents: "I want to thank my parents so much for everything they've done for me. From taking me to all of my softball games and practices to being my biggest supporter on and off the field. I know we didn't always see eye to eye when it came to softball, but I want you both to know that I am so so grateful for everything you have done and continue to do for me. I also want to thank my brother for always putting up with being dragged along to my softball games. "

Keviontae Ford

Keviontae is the daughter of Megan Huff. Her favorite team moment was playing games throughout practices. Keviontae's extracurricular activities include working and being an intern at State Farm. Her future plans are to join the Army. To her teammates: "Keep working hard, stay positive, and out of the drama." To her parents: "I greatly appreciate everything you have done for me to get me to this point. I promise to be the person you said you were always proud of and work my hardest to do the best and be the best, Thank you so much! I love you dearly!"

SOFTBALL

Regan Harvey

Regan is the daughter of Brad and Tammy Harvey. Her favorite team moment was her junior year when they were playing charades at the hotel late at night and they couldn't stop laughing. Regan's extracurricular activities include volleyball, softball, and hanging out with her friends. Her future plans are to attend the University of Cincinnati and major in Health Sciences. Once she completes college she would like to take a year to travel the world, exploring the opportunities it beholds. To her teammates: "Enjoy it, enjoy all of high school, sports, hanging out with your friends, and everything that comes with it because it goes by so fast but it is so much fun." To her parents: "I will forever be appreciative of everything you guys have done for me. Thank you for being my biggest supporter in both sports. Taking me to and from all my practices and sitting through and watching all my games no matter how far away they are. I am forever grateful for the love and support you have shown me as I've grown up. I love you."

Kasey is the daughter of Joe and Angie Hickle. Her favorite team moment was beating Roncalli her sophomore year to go to the County Championships and winning the whole tournament. Kasey's extracurricular activities include softball. Her future plans are to play softball at Huntington University and study Vet Nursing. To her teammates: "Do what it takes to be a good teammate. Always have each other's backs and make it fun, you only have a short period of time before it's all gone. " To her family: "Mom and Dad- Thank you for all of your support, advice, and guidance through this journey. I couldn't have done any of this without you guys pushing me every single day. Sister- Thank you for being the best role model to look up to. You inspire me and I am so happy I get to follow in your footsteps. Grandpa- Thank you for being my #1 fan. I love seeing you in the stands before every single game throughout the season. I love you! "

SOFTBALL

Madi Kammer

Madi is the daughter of Dicky and Amanda Kammer. Her favorite team moment was all the pre-game drives or getting food together as a team, or just getting super excited in the dugout over little things. Madi's extracurricular activities include Student Council, National Honor Society, and basketball. Her future plans are to attend Hanover College to continue playing softball and study Anthropology. To her teammates: "Life is so much bigger than the game, you mean so much more as a person than a softball, so be the best teammate you can possibly be." To her parents: "I really wouldn't be here without you guys, you've been my biggest supporters from the beginning and through everything. I truly cannot thank you enough, Love you guys."

Kalee is the daughter of Brandon and Crissy Roberts. Her favorite team moment was beating Roncalli during her sophomore year. She was able to play on the field with her sister that year. Kasey and she both played a really great game. Beating Roncalli will forever be in the history books for FC softball. Kalee's extra-curricular activities include travel softball and helping younger girls with lessons. Her future plans are to attend college on a softball scholarship. She will major in Interior Design while working with many internships throughout her college career. To her teammates: "Work hard no matter the circumstance. Your time will come whether you believe it or not. You might not think people see you but they do. Don't take anything for granted." To her parents: "I will forever appreciate you both for everything you have given up to get me to where I am now. All the time and effort you both have put in for me to do what I love is priceless and I wouldn't be here without y'all right by my side."

SOFTBALL

Maddeline Smith

Maddie is the daughter of Mike and Amanda Smith. Her favorite team moment was beating New Pal. That game was so much fun because everyone was up and screaming. They went out on the field with a goal and they did what they wanted to do. Maddie's extra-curricular activities include the Speech team. Her future plans are to attend Saint Mary of the Woods to play softball and major in Kinesiology to become a Physical Therapist. To her teammates: "Always find the positives. Being a student-athlete is hard. We get tired and mentally drained but one thing that can help is finding the positive whether that be fun games at practice or finally getting in bed after a long day. There's always a positive." To her parents: "I want to say thank you to my parents for everything they do and did for me growing up. You guys were always there for me whether that be to push me or make me smile. Thank you, Mom, for always getting me to places on time or a little earlier due to some speeding and thank you dad for the endless Starbucks runs. I love you guys."
