Her future plans are to attend Louisiana State University to major in nursing. To her teammates: "Do what makes you happy! Have fun, be bold, and be confident!" To her mom: "I'm thankful for everything you've done for me. You're my best friend and the best mom. You keep me going through the toughest days, and I'm forever grateful for you."

Sophie is the daughter of Scott and Kristy Eaton. Her favorite team moment would either be last year when they all went bowling and played laser tag over the weekend or when they all went shopping together for their secret pal baskets and bought t-shirts to bleach and design for sectionals. Sophie's extra-curricular activities include Key Club, choir, and theatre. Her future plans are to study industrial design at either Purdue or the University of Cincinnati. To her teammates: "Don't overstress yourself at any practice or meet, remember that gymnastics is supposed to be fun that's why we've all done it for so many years, but also do your best to beat everyone." To her parents: "Thank you for taking the time to come to every one of my meets for the 10+ years I've been in this sport and constantly supporting me in all of my activities and hobbies school related or not."
