CAMP SUMMARY

Campers between the ages of 5 and 14 will have the opportunity to experience a week full of soccer fundamentals. The camp will be fun as well as challenging. Every aspect of soccer will be covered including trapping, passing, tackling, heading, and shooting.

The Reitz Soccer coaching staff is excited about the prospects of working with young people in our area. Coach Wolfe is building a quality program based on hard work, fundamentals, dedication, and enthusiasm.

One of our goals is to develop a closeness and sense of loyalty and belonging within the Reitz High School Community. We hope that everyone in our area that loves the game of soccer and is interested in helping our youth become the best that they can be and will support the Reitz Soccer Camp.
