

2024 RJH Boys Golf (Final Roster)

Thank you to the final group of boys for trying out this season. This was an extremely difficult decision for Coach Miller and I. As I told you today, please know that this is not a personal decision and all of you are great kids! Please don't let this discourage you from the game of golf. **Congrats to the following boys who will be representing RJH this season on the golf course.**

Names are listed in alphabetical order, not how you finished in the tryout process!
