Our Spring Call-Out Meeting will be held on Wednesday, February 28th during Rivertime periods in room 171

Registration:

All players must register using the link below. Registration begins after the call-out meeting.

<https://home.eventlink.com/>

Registration and IHSAA forms **page 3 & 5** must be on file in the AD office **before tryouts begin on March 4th** in order to be eligible for spring sport.

Read the Academic Eligibility Policy in the RJH Athletic Policy via the website link above.

Participation Fees:

Estimated cost for tennis varies. All players who make the team are required to purchase a team shirt (usually \$25-30). Players are required to have their own racquets, water bottles, and wear appropriate tennis shoes and tennis shorts/skirts to practice and matches. Other team apparel will be available to purchase after the team has been selected.

2024 Tryout Dates and Practice Times:

Tryouts will be held after school on **Tuesday, March 12th, Wednesday, March 13th from 4:15-6:00pm**. If needed, we may call a final day of cuts on **Thursday, March 14th** or if we have a cancellation due to weather. We will use Parent Square to communicate these details.

Coaches will post the team roster on the RJH tennis website Friday, March 15th. Only those who made the team should report to practice on the following Monday, March 18th. All remaining practices will be Monday through Friday from 4:15-5:45pm. Due to the late start time/late dismissal of school, we might discuss 1-2 morning practices a week from 7:30-8:45 (TBD). Also, the first week of practice is Camp Tecumseh week. 7th graders will attend practice on the days they are at school.

Change this year!! The 7th/8th grade Boys team will play in the fall, and the 7th/8th grade Girls team will play in the spring. We will keep approximately 16-20 girls for the final team, depending on skill level and character.

We look forward to playing a part in building on your daughter's tennis skills and character this next tennis season!
