"Be more concerned with your character than your reputation, because your character is what you really are, while your reputation is merely what others think you are."- John Wooden

Dear Students, Parents, Faculty and Visitors;

Welcome to the Community School Corporation of Southern Hancock County. We are proud of our strong traditions of excellence in both athletic competition and academics. Our student athletes demonstrate commitment and character and are expected to participate in competitions with class and good sportsmanship.

Athletic competition helps build strong bodies, leadership, commitment and character. Our coaches support student athletes' growth not only in the physical aspect of the sport, but also in the development of many life skills. Our student athletes learn and practice teamwork and sportsmanship, both of which are skills they will use long after the competition is over.

We expect excellence from our athletes and fans. Please help our athletes live their commitment to excellence by supporting them in a manner that demonstrates the outstanding character of our student athletes and our community. We expect good sportsmanship from our athletes, students, and fans. Please enjoy the competition. Thank you for supporting our student athletes. Go Dragons!

Sincerely,

Principal's Welcome

Dear, Students, Parents, Faculty and Visitors,

Welcome to New Palestine High School and another year of outstanding athletic competition! Our athletes have proudly worn the title of "New Palestine Dragons" for over 100 years. Our coaches, athletes and school community strive to represent our school with character, commitment, and class.

New Palestine High School athletes compete at the highest possible level on the field and court. Our student athletes understand that success is not defined on the playing field, but in the classroom and in the community. They strive to be leaders in the community and to be role models for future generations of Dragons. Sportsmanship and leadership are imperative and are expected at all times.

Our coaches teach more than just the game. They teach fundamental principles that promote character and discipline. Athletics are an integral part of the education process and our coaches understand and embrace their roles in this process. They work to equip our student athletes with the tools to be successful in our global society. I proudly support our coaches in this endeavor and I urge parents and fans to do the same.

I graciously commend the team of individuals that prepare our sporting facilities. The athletic department, along with our maintenance and custodial staff, does an outstanding job in providing a safe and inviting athletic environment for all teams at New Palestine High School. Finally, I want to thank you for your support of New Palestine High School athletics. You play a very important role in the success of our athletic program. We recognize the support of our parents, community members, students, faculty, and staff as being second to none. That support, in addition to the efforts of our coaches and athletes, will bring us much success in the 2022-23 school year. Thank you again for your support of New Palestine High School.

Dear Patrons and Fans,

As we continue to provide quality athletic experiences here at NPHS, we are continually reminded of the role everyone plays in ensuring an enjoyable event. By treating everyone with the utmost respect, promoting a welcoming environment, and maintaining encouraging support of our athletes, we become leaders in establishing a culture of positive sportsmanship while representing our school and community in the highest regard. NPHS athletics is about commitment, character, and class, and we ask that everyone enjoy the games in the true spirit of sportsmanship.

Equally, we are proud of our past accomplishments as we strive to experience success in all levels of athletics at NPHS. We take great pride in competing in the Hoosier Heritage Conference as well as gearing up for IHSAA tournament success. With your support and enthusiasm, it is our goal to make you proud of our teams and the efforts they display in competition.

In providing an environment that is safe and accommodating for all who attend, we hope everyone enjoys a great game experience. Moreover, your attendance is much appreciated, and our athletic department, coaches and players, thank you for your continued support of our programs. We hope to see you throughout the year and many years to come. Enjoy the game!

Go Dragons!

GOOD SPORTSMANSHIP IS ALWAYS A WINNER

- 1. Realize that a ticket is a privilege to observe a contest and support high school activity. It is not a license to verbally assault anyone or act in an outrageous manner.**
- 2. Realize that athletics are part of the educational experience, and that the benefits go beyond the final score of the contest.**
- 3. Respect the decisions made by the officials, and learn the rules of the game to better understand their decisions.**
- 4. Participate in positive cheers and refrain from those that take away from the spirit of the contest.**
- 5. Respect and support the task the coaches have in teaching the athletes.**
- 6. Be a parent your child would be proud of! Be a fan, not a fanatic!**

RESPONSIBILITIES OF STUDENT FANS

- 1. Realize that a ticket is a privilege to observe a contest and support the high school activities, not a license to verbally assault others or be generally obnoxious.**
- 2. Know and demonstrate the fundamentals of sportsmanship.**
- 3. Respect, cooperate and respond enthusiastically to cheerleaders.**
- 4. Respect, the property of school and the authority of school officials.**
- 5. Stimulate desired crowd response using only positive cheers, signs, and praise without antagonizing or demeaning opponents.**
- 6. Show respect for an injured player when he/she is removed from the contest.**
- 7. Do not applaud errors by opponents or penalties inflicted upon them.**
- 8. Do not heckle, jeer, or distract members of the opposing team.**
- 9. Respect opposing spirit groups, fans, coaches, and participants.**
- 10. Never criticize the players or coaches for the loss of the game.**
- 11. Respect yourself, your team, officials, coaches, opponents and fans.**
- 12. Refrain from using profanity, racial or sexual comments, intimidating language or actions directed towards others.**

WALK-IN CLINIC

Now with
weekday
hours for
weekend
warriors.

Whether you're a weekend warrior or a student athlete, Community Health Network's walk-in clinic for sports and orthopedic injuries is open Monday through Saturday from 8-10 am. Conveniently located on the campus of Community Hospital North, you'll find our Sports Medicine and Orthopedic physicians on-site to treat everything from sprains and strains to fractures and joint injuries. We're open first thing in the morning to address the last thing you thought would happen. And while it may be a little odd to call it a walk-in clinic when you can barely walk, we think you'll appreciate how accessible we've become. Learn more at eCommunity.com/sports.
