HHS Athletics Seeking 2023-2024 Corporate Sponsorship

Dear Hamilton High School Athletic Supporters,

As we approach the 2023-2024 school year, the Hamilton Jr. / Sr. High School Athletic Program is excited to announce sponsorship opportunities for varsity athletic programming. With the support of our varsity programming, you will be helping these young men and women have a positive and life changing experience in interscholastic athletics. Athletic programming allows our staff to teach valuable life lessons such as teamwork, perseverance, hard work, commitment, and dedication. These, along with many others, will help our student-athletes grow into leaders within our community.

Our student-athletes have shown a true desire to get better and have never given up, even through some undesirable results. Our athletic department is looking for ways to improve our culture, strength, speed, and characteristics. With your generous donation, we will be certifying our staff to become more effective with strength, conditioning, speed, and character development – one component of being competitive. In addition, your donation will help purchase practice uniforms and necessary field/court equipment. We can only hope to do all of these great things for our student-athletes with your help. We want to make sure each and every student-athlete has the equipment and tools they need to be successful, regardless of their financial situation. Thus, we ask for you to consider the opportunities of becoming a corporate sponsor for the Hamilton High School Athletics.

Your donation to our athletic program is greatly appreciated. Checks may be made out to “Hamilton Jr. / Sr. High School Athletics.” If possible, please respond to Mr. Garry May (Athletic Director) by July 1st of your intent to become a corporate sponsor for Hamilton High School Athletics. We want to thank you for your continued support of Hamilton Athletics and we look forward to see you on game day!

With appreciation,

G₇ M₇
