\*Coaches will provide parents with a full season practice and contest schedule and conduct a parent meeting once the first week of practices are underway. Coaches will use FinalForms as the primary communication tool with parents/guardians. Please “manage sports” for your student-athlete and click the sports your student-athlete will be participating in so that you will receive updates from coaches.

### **FINALFORMS**

All athletes must register for athletics in FinalForms. Parents/Guardians must electronically sign off on all the participation forms and athletes must turn in the IHSAA Physical to the Athletic Office. Once all sections of the online registration are completed, the student's name will automatically become highlighted in green. Student-Athletes must be highlighted green in FinalForms to participate in the first official day of tryouts/practice. The FinalForms "Athletic Participation Registration" link can be found at [weboathletics.com](http://weboathletics.com) under the "MORE" tab and then under "DASHBOARD".
