- All athletes must register through FinalForms.
- Parents/Guardians must "manage sports" for athletes in FinalForms. By checking the sport athletes plan to play in the "manage sports" section of their FinalForms account, athletes will populate onto rosters so that parents/guardians receive FinalForms messages and updates from coaches.
- Parents/Guardians will electronically sign off on all the participation forms.
- IHSAA Physical paperwork may be uploaded to FinalForms or submitted to the athletic office.
- Once all sections of the online registration are completed by the athlete and guardian(s), the student's name will become highlighted in green. Student-Athletes must be highlighted green in FinalForms to participate in the first official day of tryouts/practice.
