**The funds raised over the past three years from our golf outings have helped us purchase new uniforms and/or warm-ups for Boys/Girls Tennis, Wrestling, Volleyball, Girls Basketball, Football, Track, Softball and Cheer. We have also been able to help with additional equipment needs for Football & Wrestling.**

**We had not one, but TWO state champions so far this year and with that came extra post season expenses for travelling and State Championship banners to be displayed in the gym. We could not have done this without the generous support from our golf outing. THANK YOU!**
